Marking Rubric for Individual Assignment (35%)

Integrity and Anti-Corruption

Criteria and Weightage

Criteria	Marks Allocated	Description
Content & Analysis	18 Marks	Comprehensive understanding of the chosen question and its core themes (integrity, accountability, ethics). Clear, relevant, and detailed discussion of the chosen case/scenario. Accurate analysis of impacts or complexities (social, economic, political, moral, or legal). Thoughtful and realistic solutions or recommendations proposed.
Structure & Organisation	6 Marks	Logical flow of ideas across sections (Introduction, Body, Conclusion). Clarity in presenting arguments and ensuring each paragraph connects cohesively to the central thesis. Effective use of headings and subheadings to organise content.
Critical Thinking	6 Marks	Demonstrates ability to critically assess the situation and provide in-depth insights rather than surface-level information. Identifies underlying causes, implications, and potential solutions effectively.

Formatting & Presentation	3 Marks	Adheres to submission requirements: Times New Roman, 1.5 spacing, Microsoft Word, within 1500-word limit. Properly formatted front cover with student name, ID, assignment title, and course. Professional and polished overall presentation.
References & Citation	2 Marks	Credible and relevant sources cited to support arguments. Proper referencing style applied consistently (e.g., APA, MLA, or as specified).
